Preliminary Minor sub-division and line change for John Troyer. It appears we can do a line change on his request and he will do a minor sub-division for the other. John will have a survey done before the next meeting. Once we get the survey we can then set up a public hearing for the SEQR review. He was instructed to get a sub-division application and SEQR form and both need to be filled out before the next meeting. The public hearing for the SEQR review will be on 03/15/17 at 7:40 PM.

Monica made a motion to close the meeting at 8 PM, Pete seconded. Approved.

Respectfully submitted,
Judy Carmon
