Councilperson Strack motioned to open hearing at 8:11 PM Seconded by Councilperson Cody.

Discussion regarding SEVAC's letter to the Town Board stating they would no longer serve a portion of Fenner without payment of 10,800.00 It is the Boards understanding that they have signed a Certificate of Need and must respond to calls. Supervisor Jones will look into this further, as the Fenner residents potentially affected by this voted not to become their own district and incur those fees.

Budget was gone over line by line and Board feels comfortable with the Tentative Budget which will be made available at the Town Office and on line on October 30, 2022.

Meeting was adjourned at 10:20 PM
